INSTRUMENTAL MUSIC, LAMDA AND RIDING

MUSIC

Music - Being involved within the music department is a must, at Walhampton! We recommend playing a musical instrument and participating in one of our many ensembles and groups. Individual lessons allow children to progress on an instrument, build fine motor skills, patience and resilience, improve memory and enables the children to develop socially within groups, building on communication skills and teamwork. We have 10 professional and dedicated Visiting Music Teachers (VMTs) who deliver weekly timetabled lessons throughout the school day to pupils from Year 2. Registration to start lessons can be made at any point throughout the school year. Further details, options and pricing can be found on the sign up form.

[Music](#)

LAMDA

LAMDA – The London Academy of Music and Dramatic Arts ([LAMDA](#)) is a leading UK Drama School, which offers an extensive range of accredited exams within the performing arts field. These are designed to take pupils from their first steps, progressing all the way to mastery of a range of dramatic skills. In the beginning the introductory exams encourage accurate memory skills, vocal expression and confidence when presenting and speaking in public, fantastic for interview skills. With this grounding, pupils can move forward to study a range of subjects from Acting, Devising, Public Speaking, Musical Theatre, Verse and Prose and Mime. LAMDA exams are structured to Ofqual qualifications for levels 1, 2 and 3. Level 3 and above carry UCAS points, which can be used towards University, all exams are assessed by an external LAMDA examiner here in school.

At Walhampton we offer LAMDA tuition to pupils from Year 4 for either solo or duo LAMDA lessons. We have three wonderfully dedicated LAMDA teachers who deliver weekly timetabled lessons throughout the school week. Registration to start lessons can be made at any point throughout the school year. Further details, options and pricing can be found on the sign up form.

[LAMDA](#)

RIDING

Riding - Here at Walhampton, we are lucky enough to have our own stables and arena on site. Many Walhampton children love to ride, and we provide them with a unique opportunity to indulge their passion as part of their timetable, with lessons organised at lunchtime, during games and the afternoon activities slot. We have a variety of horses and ponies of different heights, ages and abilities. All the ponies belong to individual pupils and are kept at our on-site Equestrian Centre on working livery contracts. As a British Horse Society Approved Riding School we also run the amazing 'Pony Stars' courses which teach children all about stable management topics including, grooming, leadership roles, pony health and care of ponies in winter and summer.

At Walhampton we offer riding tuition to pupils from Year 1. Registration to start lessons can be made at any point throughout the school year. Further details, options and pricing can be found on the sign up form.
