Payment by bank transfer is preferred, but for all, we are pleased to continue to offer two direct debit options, either termly or in instalments. These arrangements are as follows:

- For the termly scheme, the school bill (comprising tuition fees and boarding fees for the forthcoming term, plus any disbursements in arrears for the previous term) will be collected in full on the due date, which is the first day of term.
- For the instalment option, the school bill (comprising tuition fees and boarding fees for the forthcoming term, plus any disbursements in arrears for the previous term) will be collected in three equal instalments during the term, as follows:- Autumn Term: September, October and November; Spring Term: January, February and March and Summer Term: May, June and July. These instalments will be collected on the first Friday of the relevant month.

We are also able to take payment for school bills by card, but there will be a 1.5% fee charged for this facility.
