Riding, music and LAMDA lessons will be based on 30 lessons per year spread over 3 terms. Lessons may take place at a different rate – eg 11 for the autumn term, 9 for the spring term and 10 for the summer term. Riding lessons may include an element of stable management where the weather prevents a ridden lesson and the pricing takes this into consideration. Riding lessons are subject to availability, and although all pupils who wish to ride should get an opportunity during the school year, we are unable to ensure that pupils will ride every term where waiting lists are in operation.

### Direct Debit arrangements – School fees and disbursements.

We would also like to encourage all parents to move towards paying the School fees via direct debit and are delighted to offer a marginally reduced fee level to those paying by direct debit in comparison to those who are not. The school operates both a termly and monthly direct debit scheme.

For the termly scheme, both day fees and disbursements would be taken on the first day of term. This would include any boarding fees – full and weekly boarding are charged in advance, and flexi boarding is charged in arrears.

For the monthly scheme, the day fee would be taken on the 1st day of each month, split over a 12 month period and including any full or weekly boarding charges. Disbursements relating to the previous term would be taken in full on the first day of term. This would include any flexi boarding fees which are charged in arrears.

Direct Debit schemes are available for those pupils in Reception and above.

If you would like to sign up for the Direct Debit Scheme, please contact Marianne Gillett on [m.gillett@walhampton.com](mailto:m.gillett@walhampton.com) where further details can be provided.
